warning: adding embedded git repository: Assignment-03A

hint: You've added another git repository inside your current repository.

hint: Clones of the outer repository will not contain the contents of

hint: the embedded repository and will not know how to obtain it.

hint: If you meant to add a submodule, use:

hint:

hint: git submodule add <url> Assignment-03A

hint: If you added this path by mistake, you can remove it from the

hint: index with:

hint:

hint: git rm --cached Assignment-03A

hint:

hint: See "git help submodule" for more information.

warning: adding embedded git repository: Assignment-03B
